

Parks User Agreement –Councilman Hatley

I propose that the following policy be adopted by the City of Montesano, effective for 2018, and that it be included in any future new or renewed user agreements with not-for-profit youth sports organizations.

[this is revised language based on the previous council discussion]

“The City will waive the user fee for not-for-profit youth sports organizations if the organization demonstrates cash expenditures greater than twice the value of the user fee for the same calendar year.

The mayor also has the discretion to credit volunteer time toward the user fee in lieu of a cash transfer.”
