PUBLIC COMMENT:

Steve Fenn of 428 E. McBryde has concerns and questions as to whether the area of McBryde Avenue that narrows down is going to be addressed. He feels this is a traffic hazard and walking hazard.

George Middleton of 415 E. McBryde Avenue had the same concerns reference the traffic on McBryde Avenue; specifically the excess speed at which vehicles travel; asked if a strip or bump or something could be placed there to slow people down.

PRESENTATION:

Miss Grays Harbor Kuinn Karaffa made a presentation, telling the council about herself, her values, her work ethic, feelings regarding community involvement and how involvement in 4-H helped her excel in many areas.

The Mayor thanked Kuinn and announced that not only was Miss Grays Harbor from Montesano but Miss Teen Grays Harbor, Mercedes Morrill is also from Montesano.

COMMITTEE REPORTS / FOR COUNCIL INTRODUCTION / COMMITTEE ASSIGNMENTS

C.O.G.

- Councilman Wood reported C.O.G. discussed "Opportunity Zones" which would be parts of Aberdeen and Hoquiam (inaudible) where they are applying for designation which would increase tax incentives to
- 47 invest in that area; Electrified America is on the verge of doing a grant call for electric car chargers; the

transit authority is looking into ferry service between Ocean Shores and Westport working with the Quinault Nation and the Port of Grays Harbor. The Elma Mayor reported there is another significant business about to locate at Eagle's Landing; the GH Mayors have had a meeting to form a coalition to deal with homelessness and a letter was passed around to collect signatures and support for the Floodplains by Design Grant that the City of Montesano had submitted reference the relic channel by the WWTP.

FLOOD AUTHORITY

Councilman Wood advised they met and the significant discussion was about the nature of activities changing because of the creation of the Office of the Chehalis Basin; the Flood Authority will start meeting every other month instead of monthly; the small projects committee will still review submissions and make recommendations; Mike Olden has prepared some material for that so we may get another project in the que for Montesano; they are going to create a speakers bureau to go to clubs and associations to get information out.

UNFINISHED BUSINESS

Approval of the tree planting contract

Councilman Cope made a motion to accept the Ramirez Reforestation Inc. 2018 tree planting service contract as complete. Councilman Bryson made a second. Councilman Cope added this was an 80 acre 2017 timber harvest where 25,040 trees were replanted with a budget of \$7500 set which came in approximately \$600 below that.

Motion passed 7-0

Ground Medical Transport Contract-authorize the Mayor to sign

Chief Rux explained more of what exactly this contract was for and what it entails; this added to what had been talked about and discussed at the last council meeting. This is a consulting firm that will basically handle all the administration, data gathering, and then compute that data into what is allowed for reimbursement to the city.

Councilman Bryson made the motion to allow the Mayor to sign the Public Consulting Group agreement as presented with Councilman Skaramuca making a second. Attorney Coker pointed out one issue that is being looked into as reflected on Page 7 Paragraph 20 reference the county which has jurisdiction over the enforcement of the agreement. Attempts are being made to have that be a county which is closer to Montesano.

Councilman Bryson advised that was understood and his motion encompassed that issue with Councilman Skaramuca also agreeing.

84 Motion passed 7-0.
